## Monarch Wish List

Parents, are you looking for an opportunity to make a difference in your child's education? Please review this list and consider making a donation (new or used items) to Monarch School. Here is a "wish list" of items that will enhance what we do at Monarch and, therefore, ultimately benefit your child. Because we are exclusively a Pre-K and young adult setting, we do not receive funding in the ways that K-12 schools in GCPS receive. We also do not have a PTA that helps schools purchase some of the things listed below, so every little bit makes a difference! For any donations given to Monarch, you will receive a letter for tax purposes. Thank you in advance for thinking of us!

- Lots of batteries (AA, C, D, 9V) – **This is an item we can never have too many of for our AT devices, etc.**
- Recycled tire road for wheelchairs to roll on to access swings, slide, and sandbox.
- Kleenex
- Baby wipes
- Happy meal toys
- Small toys to be used for tactile communication boards
- Books with repeated lines (We do have title suggestions if you are interested)
- Bubbles
- Latex gloves – **This is an ongoing need.**

If you are interested in purchasing one of these items or would like to donate money toward it we can place it in our budget and restrict it for purchase of that item with all the funds are raised.
